

Consultant Occupational Physician, Underwater Medicine Division
Vacancy Ref 1553695
Institute of Naval Medicine, Gosport

The Consultant Occupational Physician in the Underwater Medicine Department (UMD) at the Institute of Naval Medicine (INM) primarily provides radiation medicine support to operational commitments and radiation medicine advice to MoD personnel and other government agencies. Training for the post holder to fulfil these commitments will be offered. There is a teaching commitment, with UMD providing training in radiation medicine to Service and civilian personnel. The post holder will also be required to train for and contribute to other UMD and INM outputs, such as submarine, diving and environmental medicine provision and training. The post holder requires full GMC Registration with a license to practice and Specialist Register entry for Occupational Medicine.

For further information on this position please contact Surgeon Captain John Clarke on Email: NAVYMED-CONSOM@mod.uk

Applications must be made online at <https://www.civilservicejobs.service.gov.uk/csr/index.cgi> and be supported by a full CV. CV's received without a formal application having been submitted will not be accepted.
